

Don't Stop Me Now

Tonight I'm gonna have myself a real good time
I feel alive
And the world, I'll turn it inside out, yeah!
I'm floating around in ecstasy
So don't stop me now, don't stop me

'Cause I'm having a good time, having a good time

I'm a shooting star leaping through the sky, like a tiger defying the laws of gravity
I'm a racing car passing by like Lady Godiva
I'm gonna go, go, go, there's no stopping me

I'm burning through the sky, yeah!
Two hundred degrees that's why they call me Mister Fahrenheit
I'm traveling at the speed of light, I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time
I'm having a ball, don't stop me now
If you wanna have a good time, just give me a call

Don't stop me now, don't stop me now
I don't wanna stop at all

I'm a rocket ship on my way to Mars on a collision course
I am a satellite, I'm out of control
I'm a sex machine ready to reload
Like an atom bomb about to-oh-oh-oh-oh-oh explode

I'm burning through the sky, yeah!
Two hundred degrees that's why they call me Mister Fahrenheit
I'm traveling at the speed of light, I wanna make a supersonic woman of you

Don't stop me, don't stop me, don't stop me
Don't stop me, don't stop me, ooh, ooh, ooh
Don't stop me, don't stop me, Have a good time, good time
Don't stop me, don't stop me

Ooh

I'm burning through the sky, yeah!
Two hundred degrees that's why they call me Mister Fahrenheit
I'm traveling at the speed of light, I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time
I'm having a ball
Don't stop me now, if you wanna have a good time
Just give me a call
Don't stop me now, don't stop me now, I don't wanna stop at all
