

Let It Snow!

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stoppin'
And I've bought some corn for poppin'
The lights are turned way down low,
Let it snow, let it snow, let it snow

When we finally kiss goodnight
How I'll hate going out in the storm
But if you really hold me tight
Then all the way home I'll be warm

The fire is slowly dying
And, my dear, we're still good-byeing
But as long as you love me so
Let it snow, let it snow, let it snow, let it snow (do-do-do-do-do)

Let it snow, ahhh
Ahhhhh, let it, let it, let it snow

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

The weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stoppin'
And I've bought some corn for poppin'
The lights are turned way down low,
Let it snow, let it snow, let it snow

When we finally kiss goodnight
How I'll hate going out in the storm!
But if you finally hold me tight
All the way home I'll be warm

As long as you love me so
Let it snow, let it snow, let it snow

Let it snow!
