

Escape

Verse 1

Here's how it goes
You and me, up and down
But maybe this time we'll get it right, worth the fight
'Cause love is something you can't shake
When it breaks
All it takes is some trying

Chorus

If you feel like leaving
I'm not gonna beg you to stay
But soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

Verse 2

So (so) if you go (if you go)
You should know (you should know)
It's hard to just forget the past so fast
It was good, it was bad, but it was real
And that's all you have in the end, our love mattered

Repeat Chorus

Middle 8

You can run (You can run)
You can hide (You can hide)
But you can't escape my love
You can run (You can run)
You can hide (You can hide)
But you can't escape my love

Vamp

Here's how it goes, all it takes is some trying

Repeat Chorus

Ending

You can run, you can run, you can run, you can run
You can run, you can run, you can run, you can run

You can run, you can hide
But you can't escape my love
