

Islands In The Stream

Verse 1

Baby, when I met you there was peace unknown
I set out to get you with a fine tooth comb
I was soft inside there was something going on

You do something to me, that I can't explain
Hold me closer and I feel no pain, every beat of my heart
We got something going on

Pre Chorus

Tender love is blind, it requires a dedication
All this love we feel, needs no conversation
We ride it together, ah-ha
Making love with each other, ah-ha

Chorus

Islands in the stream, that is what we are
No one in between, how can we be wrong?
Sail away with me, to another world
And we rely on each other, ah-ha
From one lover to another, ah-ha

Verse 2

I can't live without you, if the love was gone everything is nothing
If you got no one and you just walk in the night
Slowly losing sight of the real thing

But that won't happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear this could be the year for the real thing

Pre Chorus 2

No more will you cry baby, I will hurt you never
We start and end as one in love forever
We can ride it together, ah-ha
Making love with each other, ah-ha

Repeat Chorus

Sail away
Ooooh, come sail away with me

Repeat Chorus (x2)
