Ain't Giving Up

Verse 1
When you're sober, laugh
Sometimes you gotta take a chance to break through
And when the world is not enough
That's what gives you everything or breaks you

Pre-Chorus
Feeling empty, feeling used
It's like we're running off fumes
A little broken, confused
But one thing I know for sure

Chorus
Ain't giving up on you, ain't giving up on you
Ain't giving up on you, ain't giving up on you
Ain't giving up on you
(Oh, oh, oh) Ain't giving up on you
(Oh, oh, oh) Ain't giving up on you
(Oh, oh, oh) Ain't giving up on you
Ain't giving up on you

Ooooo
Giving up on you
You

Verse 2
When the going gets tough
Just remember it's me and you for life
And when the world is not enough
Baby, are we worth the fight?

Repeat Pre-Chorus
