Don't Speak

Verse 1
You and me, we used to be together
Every day together, always
I really feel that I'm losing my best friend
I can't believe this could be the end
It looks as though, you're letting go
And if it's real, well, I don't want to know

Chorus
Don't speak, I know just what you're saying
So please stop explaining
Don't tell me 'cause it hurts
Don't speak, I know what you're thinkin'
I don't need your reasons
Don't tell me 'cause it hurts

Verse 2
Our memories, they can be inviting
But some are altogether mighty frightening
As we die, both you and I
With my head in my hands, I sit and cry

Repeat Chorus

Middle 8
It's all ending,
I gotta stop pretending who we are

Instrumental

Verse 3
You and me, I can see us dying, are we?

Last Chorus (x2)
Don't speak, I know just what you're saying
So please stop explaining,
Don't tell me 'cause it hurts, no
Don't speak, I know just what you're thinkin'
And I don't need your reasons,
Don't tell me 'cause it hurts
Don't tell me 'cause it hurts

Don't tell me 'cause it hurts
