

# Drops Of Jupiter

## Verse 1

Now that she's back in the atmosphere with drops of Jupiter in her hair, hey  
She acts like summer and walks like rain, Reminds me that there's a time to change, hey  
Since her return from her stay on the moon, she listens like spring and she talks like June

## Chorus

But tell me, did you sail across the sun?  
Did you make it to the Milky Way to see the lights all faded  
And that heaven is overrated?  
Tell me, did you fall for a shooting star?  
One without a permanent scar?  
And did you miss me while you were looking for yourself out there?

Ahh, ahh

## Verse 2

Now that she's back from that soul vacation, tracing her way through the constellation, hey  
She checks out Mozart while she does tae-bo, reminds me that there's room to grow, hey  
Now that she's back in the atmosphere, I'm afraid that she might think of me as  
Plain ol' Jane told a story about a man who was too afraid to fly so he never did land

## Chorus 2

But tell me, did the wind sweep you off your feet?  
Did you finally get the chance to dance along the light of day  
And head back to the Milky Way?  
And tell me, did Venus blow your mind?  
Was it everything you wanted to find?  
And did you miss me while you were looking for yourself out there?

## Instrumental

## Middle

Can you imagine no love, pride, deep-fried chicken?  
Your best friend always sticking up for you even when I know you're wrong  
Can you imagine no first dance, freeze dried romance, five-hour phone conversation?  
The best soy latte that you ever had and me

But tell me, did the wind sweep you off your feet?  
Did you finally get the chance to dance along the light of day  
And head back toward the Milky Way?

And tell me, did you sail across the sun?  
Did you make it to the Milky Way to see the lights all faded  
And that heaven is overrated?  
And tell me, did you fall for a shooting star,  
One without a permanent scar?  
And did you miss me while you were looking for yourself?

Na, na ooo (x3)
