

# Friend of a Friend

## Verse 1

Can you hear it?  
There's something behind the wall making the same sounds  
Can you hear it?  
It sounds like you and me when we're so in love  
Who is it?  
You said you wish they weren't taking such a long time

## Pre Chorus

She was my neighbour when we were thirteen  
She moved back in  
There's not much between us now  
Do you know what I mean?

## Chorus

She's only a friend of a friend of a friend of a friend  
She's never home 'cause she plays in a band  
I don't know if you'd understand  
She's only a friend of a friend of a friend  
I had a dream that she walked through the door  
I can't recall her name anymore  
Please believe me, I'm your man  
She's only a friend of a friend of a friend

Ahhh, ah ah  
Ooooo, ooooo, ooooo

## Verse 2

Can you feel it?  
There's someone sliding up and down the ceiling  
Breathing, he is synchronising with her beating heart  
With her beating heart

## Repeat Pre Chorus

## Repeat Chorus

Ooooo, ooooo, ooooo

## Repeat Chorus
