

Love Me Now

Verse 1

Pulling me further, further than I've been before
Making me stronger, shaking me right to the core, oh

I don't know what's in the stars
Never heard it from above, the world isn't ours
But I know what's in my heart
If you ain't mine I'll be torn apart

Chorus

I don't know who's gonna kiss you when I'm gone
So I'm gonna love you now, like it's all I have
I know it'll kill me when it's over
I don't wanna think about it, I want you to love me now

I don't know who's gonna kiss you when I'm gone
So I'm gonna love you now, like it's all I have
I know it'll kill me when it's over
I don't wanna think about it, I want you to love me now

Hook

Love me now, love me now, love me now
Oh, ho, yeah
Love me now, love me now, love me now
I want you to love me now

Verse 2

Something inside us, knows there's nothing guaranteed, yeah
Girl, I don't need you, to tell me that you'll never leave, no

When we've done all that we could
To turn darkness into light, turn evil to good
Even when we try so hard
For that perfect kind of love, it could all fall apart

Repeat Chorus

Middle 8

I don't know how the years will go down, it's alright
Let's make the most of every moment tonight

Repeat Chorus

Repeat Hook
