

Magic

Verse 1

I feel like anything could happen, the stars look different tonight
They're glowing all around me, it's flowing through my body
I can feel it, I can feel it
Don't know if I'm awake or dreaming, there must be something in the air
The time is disappearing, this moment's never leaving
I can feel it, I can feel it

Chorus

You got me started and nothing on earth can stop it
It's crazy, I'm falling, I don't know what else to call it
Boy, do you believe in magic? Do you, do you, do you, do you believe in magic? Ooo
Dancing together, ain't nothing that could be better
Tomorrow don't matter, we'll make the night last forever
So, do you believe in magic? Do you, do you, do you, do you believe in magic? Ooo

Verse 2

Free falling, it's a new emotion, I swear there's diamonds in your eyes
Come hold me like you mean it, don't wanna keep this secret
Can you feel it? My heart beating
You make me wanna do these wild things, your touch is supernatural
Oh, I can't fight this feeling, I'm floating through the ceiling
Can you feel it? I can feel it

Repeat Chorus

Middle 8

Magic, magic, magic
Magic, magic, magic
Ahhh

Repeat Chorus

Outro

Magic, magic, magic
Magic, magic, magic

Dancing together, ain't nothing that could be better
Tomorrow don't matter, we'll make the night last forever
So, do you believe in magic? Do you, do you, do you, do you believe in magic? Ooo
