

Rule The World

Verse 1

You light, the skies up above me
A star, so bright you blind me
Don't close your eyes, don't fade away, don't fade away

Chorus

Yeah you and me we can ride on a star
If you stay with me girl, we can rule the world
Yeah you and me we can light up the sky
If you stay by my side, we can rule the world.

Verse 2

If walls break down, I will comfort you
If angels cry, oh I'll be there for you
You've saved my soul, don't leave me now, don't leave me now

Repeat Chorus

All the stars are coming out tonight
They're lighting up the sky tonight
For you
For you

All the stars are coming out tonight
They're lighting up the sky tonight
For you
For you

Repeat Chorus

All the stars are coming out tonight
They're lighting up the sky tonight
For you
For you

All the stars are coming out tonight
They're lighting up the sky tonight
For you
For you (x 2)
