

This Love

Verse 1

I was so high I did not recognise,
The fire burning in her eyes
The chaos that controlled my mind
Whispered 'goodbye', as she got on a plane,
Never to return again
But always in my heart

Chorus

This love has taken its toll on me
She said "Goodbye" too many times before
And her heart is breaking in front of me
And I have no choice 'cause I won't say goodbye anymore

Ohh, ohh, ohh

Verse 2

I tried my best to feed her appetite,
Keep her with me every night
So hard to keep her satisfied
Kept playing love like it was just a game,
Pretending to feel the same
Then turn around and leave again,

Repeat Chorus

Middle 8

I'll fix these broken things
Repair your broken wings
And make sure everything's alright (it's alright, it's alright)
Your name is on my lips
You're gorgeous I'll admit
Every inch of you
And I think I know what we should do too

Repeat Chorus (x2)
