

World Of Our Own

Verse 1

You make me feel funny, when you come around
Yeah that's what I found out honey, what am I doing without you
You make me feel happy, when I leave you behind
It plays on my mind now honey, what am I doing without you

Pre Chorus 1

Oh, took for granted everything we had as if I'd find someone who's just like you

Chorus

Oh, we got a little world of our own
I'll tell you things that no one else knows
I'll let you in where no-one else goes
What am I doing without you
All of the things I've been looking for
Have always been here outside of my door
And all of the time I'm looking for something new
What am I doing without you

What am I doing without you

Verse 2

Well I guess I'm ready, for settling down
The fooling around is over and I swear it's true
No buts or maybe's, when I'm falling down
There's always someone who saves me and girl it's you

Pre Chorus 2

Oh, funny how life can be so surprising, I'm just realising what you do

Repeat Chorus

Well it's feeling right now, let's do it right now
Praying that some how you will understand the way
It's feeling right now, baby somehow
I won't let this slip away

Oh, we got a little world of our own
I'll tell you things that no one else knows
I'll let you in where no-one else goes
What am I doing without you

Repeat Chorus

We got a little, world of our own, world of our own (x2)

Repeat Chorus
